

CDO Team Management

Users with the role of CDO / CDO Team Manager / CDO Team Member can view the data requests under their purview.

To view the list of data requests, please go to [this page](#).

As a CDO / CDO Team Manager / CDO Team Member, you can find your CDO Team(s) in the [users page](#).

The screenshot shows the 'CDO Team A' management page. At the top, there are tabs for 'CDO Team A' and 'All Tenants'. Below this, a summary bar shows 'Team name: CDO Team A', 'CDO: cdo_1@tech.gov.sg', and 'Number of members: 4'. The 'Members' tab is selected, showing a table of team members. The table has columns for 'Email/Name', 'Roles', and 'Last login'. There are four members listed: 'cdo 1' (Chief Data Officer), 'team manager 1' (Team Manager), 'team member 1' (Team Member), and 'team member 2' (Team Member). A '+ Add member' button is located at the top right of the table. The bottom of the page shows pagination information: '1 to 4 of 4 rows' and 'Rows per page: 10'.

Email/Name	Roles	Last login
cdo 1	Chief Data Officer	15 Mar 2022, 06:21 AM
team manager 1	Team Manager	15 Mar 2022, 06:21 AM
team member 1	Team Member	Never
team member 2	Team Member	Never

Add Member

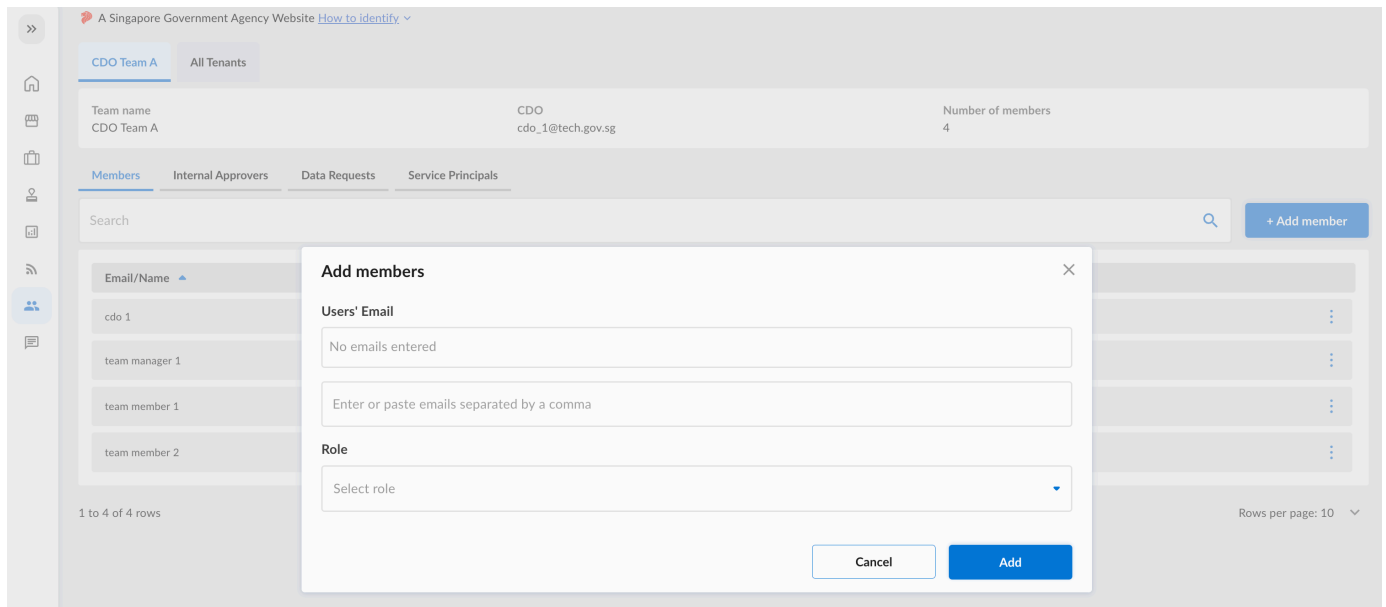

Click the "+ Add Member" button at the top right to start adding users to your CDO Team.

! INFO

Only CDO and CDO Team Managers can add members into the CDO Team.

This screenshot is identical to the one above, but with a red rectangular box highlighting the '+ Add member' button at the top right of the members table.

Type the emails of the users you want to add in the textbox, and assign them the desired role. When you are done, click "Add".

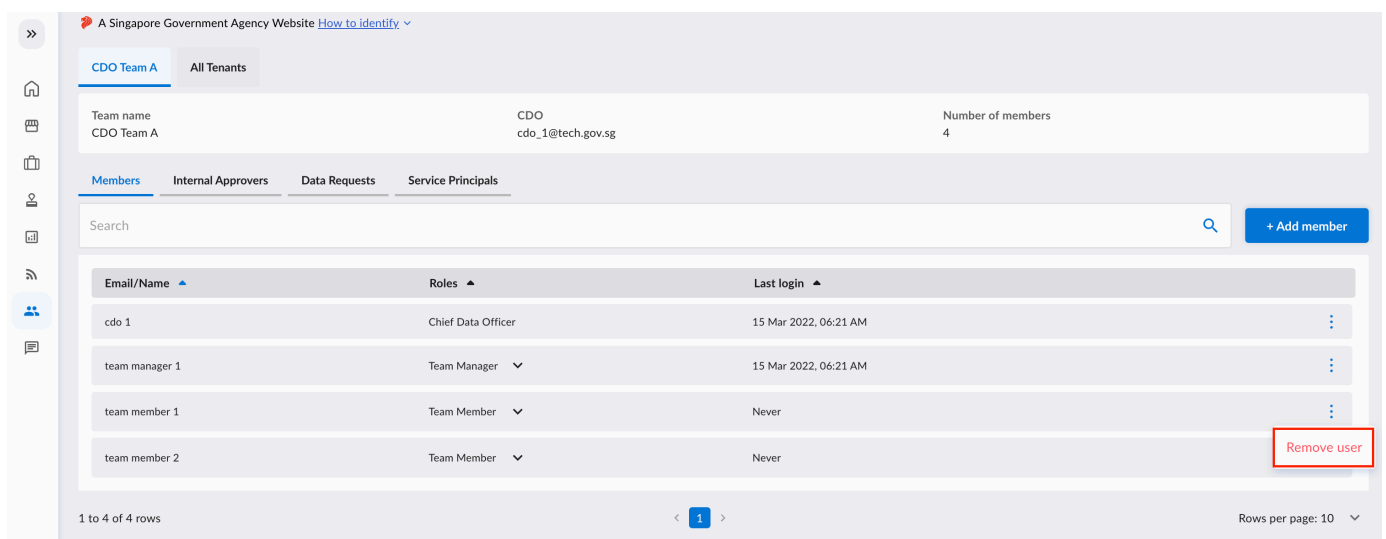

Remove Member

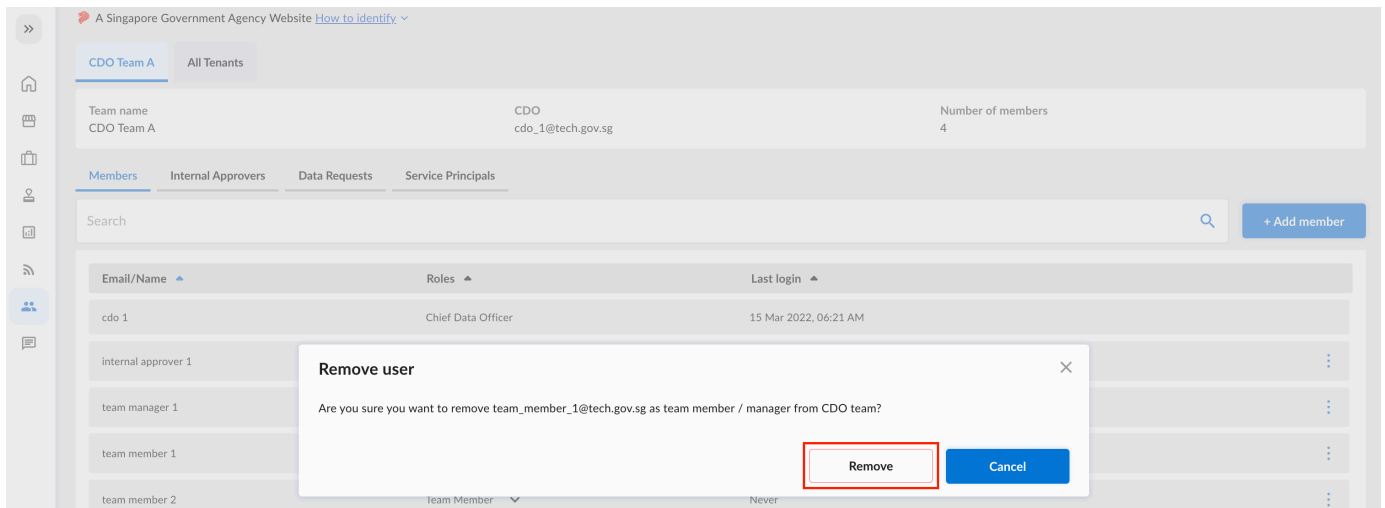

To remove a user from your CDO Team, navigate to the specific user's row and click the ellipsis on the right. Then, click the "Remove User" button.

! INFO

Only CDO and CDO Team Managers can remove members (except themselves) from the CDO Team.

A popup will open, and click on the "Remove" button to confirm the removal.

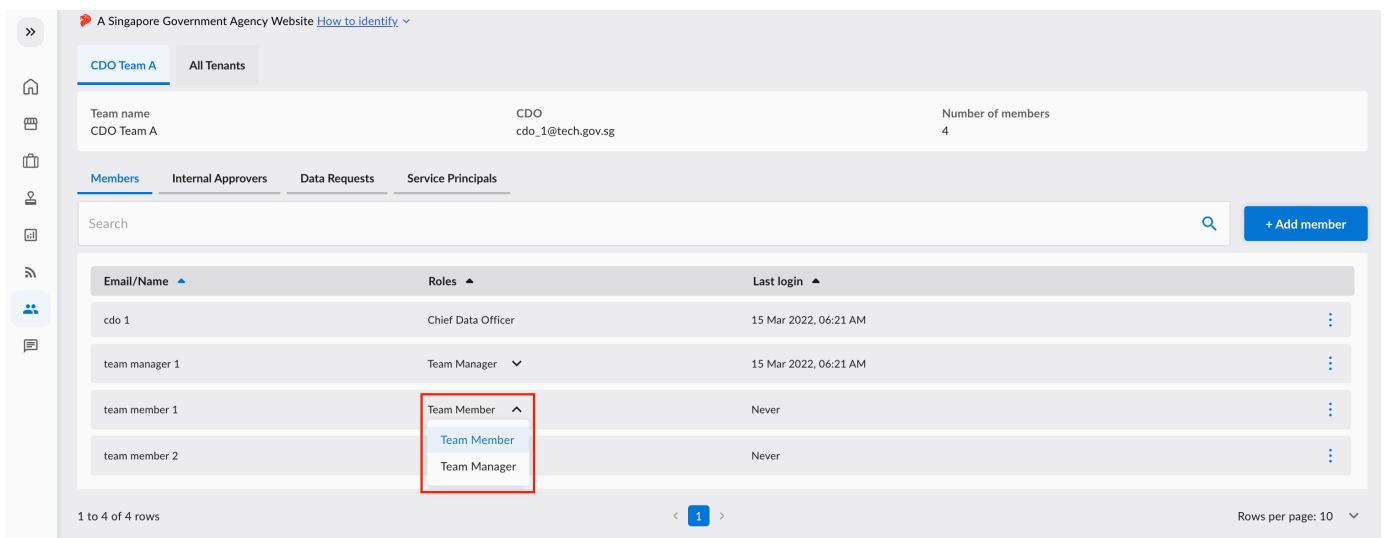

Changing Roles between CDO Team Manager and CDO Team Member

To change a CDO Team Member into a CDO Team Manager (and vice versa), click on the arrow icon, and reassign the role.

! INFO

Only CDO and CDO Team Managers can change roles for members in the CDO Team, apart from themselves.

Change of CDO

When there are changes to the CDO, the platform admin will be notified. Only the platform admin can update the CDO list on DataHive.

The authoritative source of CDO list can be found [here](#).

When there are changes to the CDO, agencies should submit the update of CDO appointment [here](#).

Platform admin will be notified once the changes are submitted and acknowledged by MDDI and the changes will be updated on DataHive.
